

Mission:

“Empower the next generation with holistic education, essential life skills, and spiritual values.”

The school prioritizes improving the quality of all processes related to learning and presenting a stress-free environment for all the students studying here.

VIMALACENTRAL SCHOOL is one of the quality educational institutions in Thrissur district of Kerala State. The school follows CBSE syllabus and guidelines that prepare learners to appear for AISSCE and AISSE [Class 10 and Class 12]. The medium for instruction and communication is English. The school enjoys and retains the status of a minority institution and shares the privileges with the population it serves mainly from Irinjalakuda and nearby areas. The school is managed and monitored by the Sisters of the Adoration of the Blessed Sacrament (SABS) of Kothamangalam Province. The school was established in 1995 as a small educational initiative for the local community. Later the initiative grew expanding its limits and reaching the present status of a sought-after premier school with around 1300 students completing their school education up to Higher Secondary level.

The school, co-educational in nature, ensures all-round development of the learners through strict policies of quality and learning by doing. The school also lays stress on right character formation, enhanced life skills, optimum exposure to different life situations, and values for the students. The school has arranged all essential and modern facilities for the learners find a safe and enjoyable learning atmosphere.

It was a great wish of the management to have a separate block for KG students and that was fulfilled in the year 2015 . It's a milestone in the history of Vimala Central School that a new building was erected and inaugurated on 26th October 2015 for kids of Kindergarten.

*Every child is a wonder. The world of a child does not bear any boundaries. It is marked with unlimited stretches of dreams, fun, curiosity, and energy. Modern-age parents often find some tough time to provide the right combination of love, care, and essential life skills. The atmosphere we provide in Vimala Kindergarten is the right amalgam of all the essential ingredients a child needs for healthy living and learning. We ensure stress-free learning for buds. The new KG building is dedicated only for tender learners. The building with separate play area and children's park meets all the criteria of modern concept of **ENJOY & LEARN**.*

During the academic year 2015 out of 80 students who appeared for the Xth Exam full pass and 25 students secured A1. Out of 24 students who appeared for the Plus two Exam full pass, One A1 and 3 students secured above 90%. Please see www.vimala school.com
